RECOMMENDATIONS

Sales dropped 79% from June-September 2025, compared with a 44% increase over the same period in 2024

Sales trend

Top month: Jan 2024 (\$29.3K)

Review Jun–Sep changes and identify causes of the 2025 sales drop.

RECOMMENDATIONS

Liam Jones has an **AOV 2x** higher than other sales representatives

Average Order Value by Sales Rep

Liam Jones has the highest AOV (\$1253)

Emma Stone

688

Noah White

665

Olivia King

540

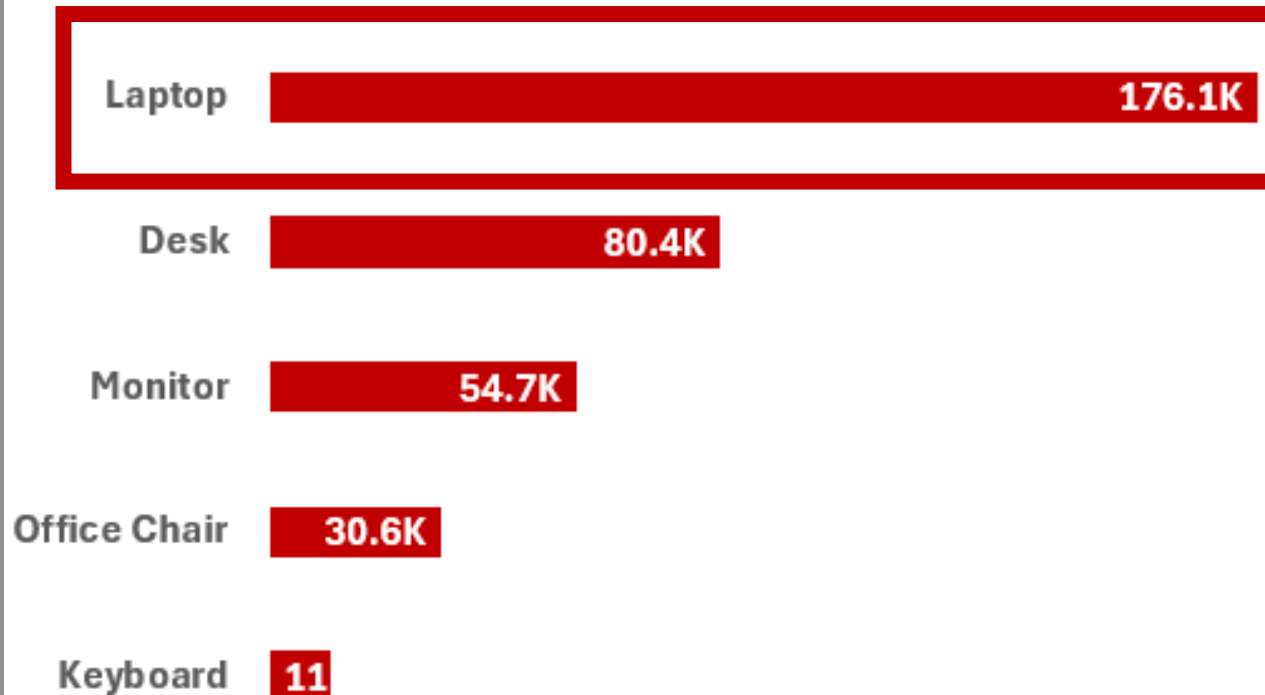

Benchmark Liam's **approach** and provide targeted rep training.

RECOMMENDATIONS

Laptops are the best-selling product, creating a **potential lost-sales risk** if stock is insufficient.

Top 5 Best Selling Products

Laptop leads product sales at \$176.1K

Monitor laptop **stock** and increase supply when demand is high.

FINAL TAKEAWAY

This analysis highlighted the significant **difference in sales performance** across:

- Regions
- products
- sales reps

KEY **LESSONS** FROM THIS PROJECT

I've learned how to:

1. Clean and model data
2. Identify meaningful trends
3. Turn data into clear, actionable business recommendations

THANK
YOU
